Hamburg, August 25-30, 2025

Topic: *Timekeeping, Navigation, Surveying - Cultural Astronomy and Instruments*

We cordially invite you to submit abstracts of contributions on one of the following topics:

- timekeeping
- navigation
- surveying
- cultural astronomy
- archaeoastronomy
- ethnoastronomy
- history of science
- heritage of astronomy

Abstract submission

Authors are required to send an extended abstract clearly explaining the background, the data, the results, and the conclusions with the following requirements:

- c. 500–700 words
- at least 3 references
- 3–5 keywords
- up to 2 color images may be included (300dpi)
- a short biographical information
- please send it in Word or LaTeX

Abstracts must be submitted to the address seac2025@archeoastronomy.org by March 31, 2025. Please indicate whether your contribution is intended as an oral presentation or as a poster contribution. Only one abstract per person as first author will be accepted!

All accepted abstracts will be published in an abstract booklet.
